Purpose: This document serves as guide to People Leads when providing Exit Clearance, tagging Eligibility For Rehire (EFR); approving Separation Effective Date (SED) change requests; and approving separation retractions.

Detailed Work Instructions

A. Providing Clearance and EFR tagging

Step	Details
1	As a People Lead, you have the responsibility to provide Exit clearance to your departing employees as well as tagging their EFR. To do this, you may go to https://myexit.accenture.com > select ***Accenture Employee*** > ***MyExit Regular*** > ***People Lead View***. 2	Select the separation entry to view the details then supply the needed information as shown in the arrow on below screenshot. As needed, you may provide additional details under ***Approver comments*** section. 3	In case the departing employee has any financial obligation, you may also include them as shown below.

	Note: you may also download a copy of your departing employee's Resignation Letter by clicking the ***View Resignation Letter*** icon. 4	Once you're okay with the updates, you may click on the ***Acknowledge*** button to record the changes.

B. <u>SED Change Request Approval</u>

Reminder: All SED change requests must be initiated and approved in MyExit prior the departing employee's last day of employment. SED change requests after the separation effectivity will not be accommodated.

Step	Details
1	Once SED change request has been initiated by the departing employee on MyExit, an email will be triggered to the People Lead. HR Partner, Manager, and Leaver are also copied. 
	As a People Lead, you may directly click the link provided in the email (i.e., Approve or Reject link) or go to https://myexit.accenture.com > select ***Accenture Employee*** > ***MyExit Regular*** > ***People Lead View***. 2	Select the separation entry to view the details. You may view the requested separation dates by clicking ***View SED change Request Letter***. Once request is reviewed, you may provide your approval or rejection by clicking either the Approve or Reject button. Note: If you selected ***Reject***, you will be required to input your comments on the free text box.
3	You may input the financial accountabilities of your departing employees (if any). Additionally, you also have the capability to view/download the leaver's Resignation Letter by clicking the ***View Resignation Letter*** button. Lastly, click the ***Acknowledge*** button to submit changes. 
C. Separation retraction request

Reminder: Retraction is legally permissible only until the employee's last day of employment. To avoid operational issues, withdrawal request must be initiated by the leaver and approved by the People Lead in MyExit Tool <u>at least three (3) days</u> from the employee's supposed last day of employment.

Step	Details
1	Once the departing employee has triggered the retraction request in MyExit, the People Lead will be notified via email and has the responsibility to either approve or reject the request (see below sample email).  MyExit Once Accenture, always Accenture accenture A Notice of Retraction was logged by **<Leaver EID>**. ACTION NEEDED: Please accept or reject the retraction request in MyExit Tool for **<Leaver EID>** on or before **<Last Day of Employment>.** Note: Retraction is legally permissible only until the employee's last day of employment.
